COTTO

A Premium Brand of Sanitary Ware

VISION

To be regional leader in sanitary product and service solutions

MISSION

- Maintain number one in domestic sales
- Maintain leadership among bathroom solution providers
- Develop bathroom accessories and solution

MANUFACTURING PLANT

Policies Concepts & Capabilities

Our humble journey started from 2017 by producing world class sanitary ware in the region. To serve the nation with the finest quality, CHARU allied with prominent brand COTTO. As we believe that commitment, acquaintance and honest effort ensure the excellence. Accordingly, technological support, knowledge transferring and trained employees from COTTO are the impulse of this pledge.

An annual production competence of 1.5 million pieces, the factory is equipped with state of the art technology. These included robotic glazing, high pressure casting, advanced kiln & molder. Products included water closet, basin, urinal, squat pan and sanitary fittings. Recognized innovativeness, cutting-edge technology, experienced workforce, reinforced by adaptable procedure ensure the quality of goods.

COTTO

Experience the exclusive care from COTTO at your dwelling place.

Arrangement of some user friendly characteristics in products gave COTTO idiosyncratic stance in sanitary ware industry. Such as Robotic glazing technology for Hygieneglaze, Water sealant level and Convenic seat cover mechanism.

Needless to mention that, soft closed seat cover, dual flush eco system, hygienic easy clean features and super smooth surface are the very core characteristics of COTTO toilet solutions.
